

# Improving Access to Palliative Care Special Collection (Archived)

The Improving Access to Palliative Care Special Collection was available as a searchable online collection from 2014 until 2021. This collection was made possible by [The Atlantic Philanthropies](#). A bibliography detailing the contents of the collection follows this archive description. Titles continue to be accessible via [www.issueLab.org](http://www.issueLab.org).

**Archived date:** August 4, 2021

**Collection title:** Improving Access to Palliative Care Special Collection

**Collection URL:** <https://palliativecare.issueLab.org>

**Availability:** 2014-2021

**Title count:** 119 titles

**Creator:** IssueLab, a service of Foundation Center

**Description:** Will you get the care you need when you face a serious illness? It depends on who you are and where you live. This collection brings together evidence and insights about the millions of people worldwide who are denied access to palliative care and what organizations are doing to help them.

## **Themes:**

"Who Is Affected?" - People with Addictions; People with Cancer; People with Chronic Illness; People with Dementia; People at the End of Life; People with HIV/AIDS; People with Mental Illness; People in Pain; People Living in Underserved Countries; People Living in Underserved Regions; People Living in Rural Communities; People in an Assisted Living Facility; People in a Community-based Care Setting; People in an Elderly Care Facility; People in a Home-based Care Setting; People in a Homeless Shelter; People in Hospice; People in a Hospital; People in Prison; People with a Disability

"What Are Common Barriers?" - Racial and Ethnic Discrimination; Gender and Sexuality Discrimination; Age Discrimination; Cultural & Religious Discrimination; Illiteracy; Lack of Legal Recognition; Language Barriers; Medical Staff Discrimination/Ignorance; Drug Costs; Inadequate Funding; Payment Structures; Poverty; Eligibility Criteria; Time Limits on Care; Distance to Services; Drug Availability; Insufficient Palliative Care Staff/Physicians; Lack of Facilities/Beds; Lack of Medical Equipment; Lack of Psychosocial Care; Lack of Coordination Between Providers; Lack of Government Coordination; Lack of Referrals or Late Referrals;

Limited Patient Data Tracking Systems; Overly Restrictive Drug Policies/Laws; Fear of Addiction; Lack of Knowledge About Palliative Care Options; Lack of Understanding About Conditions; Poor Communication Between Providers & Patients

"What Are Some Recommended Solutions?" - Additional Research on Attitudes Towards Palliative Care; Additional Research on Models of Care; Additional Research on Needs of Specific Communities or Populations; Additional Research on the Value of Hospice and Palliative Care; Bereavement Support; Caregiver Support and Engagement; Greater Availability of Pain-relief Drugs; Psychosocial Support; Alternative Payment Structures; Community Education About the Need for Advanced Care Planning; Greater Trust and Awareness Through Existing Leaders; Increased Community Awareness About Palliative Care Options; Cultural Brokerage Services; Staff with Similar Demographics as Clients; Translation Services; Better Tracking of Patient Data and Preferences; Greater Knowledge Sharing; Stronger Referral Networks and Systems; Greater Community Engagement and Partnership; Greater Coordination Between Providers; Integration into Community-based Settings; Integration Into Disease Control Strategies; Integration Into Home-care Systems; National Palliative Care Policies; Recognition of Legal Rights of Specific Populations; Recognition of Palliative Care as a Human Right; Reform of Drug Control Regulations; Palliative Care Training for Medical Staff; Train Staff in Culturally Sensitive Care

# Arts Education Special Collection Bibliography

## **Abandoned in Agony: Cancer and the Struggle for Pain Treatment in Senegal**

Publication date: 2013-10-01

Publishing organization(s): Human Rights Watch

Author(s): n/a

Themes: What Are Common Barriers?: Cultural & Religious Discrimination; What Are Common Barriers?: Distance to Services; What Are Common Barriers?: Drug Availability; What Are Common Barriers?: Insufficient Palliative Care Staff/Physicians; What Are Common Barriers?: Lack of Knowledge About Palliative Care Options; What Are Common Barriers?: Overly Restrictive Drug Policies/Laws; What Are Some Recommended Solutions?: Greater Availability of Pain-relief Drugs; What Are Some Recommended Solutions?: Integration Into Disease Control Strategies; What Are Some Recommended Solutions?: Integration into Community-based Settings; What Are Some Recommended Solutions?: Palliative Care Training for Medical Staff; Who Is Affected?: People Living in Underserved Countries; Who Is Affected?: People with Cancer

## **Access to Hospice Care: Expanding Boundaries, Overcoming Barriers**

<https://www.issuelab.org/resource/access-to-hospice-care-expanding-boundaries-overcoming-barriers.html>

Publication date: 2003-12-05

Publishing organization(s): National Hospice Work Group; The Hastings Center

Author(s): Bruce Jennings; Carol D; Mary Ann Baily; True Ryndes

Themes: What Are Common Barriers?: Cultural & Religious Discrimination; What Are Common Barriers?: Distance to Services; What Are Common Barriers?: Drug Costs; What Are Common Barriers?: Lack of Understanding About Conditions; What Are Common Barriers?: Medical Staff Discrimination/Ignorance; What Are Common Barriers?: Racial and Ethnic Discrimination; What Are Common Barriers?: Time Limits on Care; What Are Some Recommended Solutions?: Alternative Payment Structures; What Are Some Recommended Solutions?: Increased Community Awareness About Palliative Care Options; What Are Some Recommended Solutions?: Integration into Community-based Settings; What Are Some Recommended Solutions?: Recognition of Palliative Care as a Human Right; What Are Some Recommended Solutions?: Stronger Referral Networks and Systems; Who Is Affected?: People Living in Rural Communities; Who Is Affected?: People at the End of Life; Who Is Affected?: People in Hospice; Who Is Affected?: People in an Elderly Care Facility; Who Is Affected?: People with Dementia

## **Access to Pain Relief: An Essential Human Right**

<https://www.issuelab.org/resource/access-to-pain-relief-an-essential-human-right.html>

Publication date: 2007-09-14

Publishing organization(s): Help the Hospices, Commission into the Future of Hospice Care

Author(s): Vanessa Adams

Themes: What Are Common Barriers?: Drug Availability; What Are Common Barriers?: Drug Costs; What Are Common Barriers?: Fear of Addiction; What Are Common Barriers?: Lack of Understanding About Conditions; What Are Some Recommended Solutions?: Train Staff in Culturally Sensitive Care; Who Is Affected?: People in Pain

### **Access to Palliative Care: A Neglected Component of the Right to Health**

<https://www.issuelab.org/resource/access-to-palliative-care-a-neglected-component-of-the-right-to-health.html>

Publication date: 2011-06-06

Publishing organization(s): Open Society Foundations

Author(s): n/a

Themes: What Are Common Barriers?: Cultural & Religious Discrimination; What Are Common Barriers?: Drug Availability; What Are Common Barriers?: Fear of Addiction; What Are Common Barriers?: Lack of Referrals or Late Referrals; What Are Common Barriers?: Overly Restrictive Drug Policies/Laws; What Are Some Recommended Solutions?: Greater Availability of Pain-relief Drugs; What Are Some Recommended Solutions?: Increased Community Awareness About Palliative Care Options; What Are Some Recommended Solutions?: National Palliative Care Policies; What Are Some Recommended Solutions?: Recognition of Palliative Care as a Human Right; What Are Some Recommended Solutions?: Reform of Drug Control Regulations; Who Is Affected?: People in Pain; Who Is Affected?: People with Cancer; Who Is Affected?: People with HIV/AIDS

### **Access to Specialist Palliative Care Services and Place of Death in Ireland**

<https://www.issuelab.org/resource/access-to-specialist-palliative-care-services-and-place-of-death-in-ireland.html>

Publication date: 2013-05-01

Publishing organization(s): Irish Hospice Foundation

Author(s): Eugene Murray; Kathleen McLoughlin; Sharon Foley

Themes: What Are Common Barriers?: Inadequate Funding; What Are Common Barriers?: Insufficient Palliative Care Staff/Physicians; What Are Common Barriers?: Lack of Facilities/Beds; What Are Common Barriers?: Lack of Psychosocial Care; What Are Some Recommended Solutions?: Alternative Payment Structures; What Are Some Recommended Solutions?: Integration Into Home-care Systems; What Are Some Recommended Solutions?: Integration into Community-based Settings; What Are Some Recommended Solutions?: National Palliative Care Policies; Who Is Affected?: People Living in Underserved Regions; Who Is Affected?: People in Hospice; Who Is Affected?: People with Cancer

### **Advanced Illness and Orthodox Jewish Law: Approaches to Communication and Medical Decision Making**

<https://www.issuelab.org/resource/advanced-illness-and-orthodox-jewish-law-approaches-to-communication-and-medical-decision-making.html>

Publication date: 2013-11-01

Publishing organization(s): Center for Jewish End of Life Care

Author(s): n/a

Themes: What Are Common Barriers?: Cultural & Religious Discrimination; What Are Common Barriers?: Lack of Knowledge About Palliative Care Options; What Are Common Barriers?: Medical Staff Discrimination/Ignorance; What Are Common Barriers?: Poor Communication Between Providers & Patients; What Are Some Recommended Solutions?: Greater Trust and Awareness Through Existing Leaders; What Are Some Recommended Solutions?: Train Staff in Culturally Sensitive Care

### **African-Americans Outreach Guide**

<https://www.issuelab.org/resource/african-americans-outreach-guide.html>

Publication date: 2008-10-08

Publishing organization(s): National Hospice and Palliative Care Organization

Author(s): n/a

Themes: What Are Common Barriers?: Cultural & Religious Discrimination; What Are Common Barriers?: Lack of Knowledge About Palliative Care Options; What Are Common Barriers?: Medical Staff Discrimination/Ignorance; What Are Common Barriers?: Poor Communication Between Providers & Patients; What Are Common Barriers?: Racial and Ethnic Discrimination; What Are Some Recommended Solutions?: Additional Research on Needs of Specific Communities or Populations; What Are Some Recommended Solutions?: Community Education About the Need for Advanced Care Planning; What Are Some Recommended Solutions?: Greater Community Engagement and Partnership; What Are Some Recommended Solutions?: Greater Trust and Awareness Through Existing Leaders; What Are Some Recommended Solutions?: Increased Community Awareness About Palliative Care Options; What Are Some Recommended Solutions?: Staff with Similar Demographics as Clients; What Are Some Recommended Solutions?: Train Staff in Culturally Sensitive Care

### **A Baseline Study on the Provision of Hospice/Specialist Palliative Care Services in Ireland**

<https://www.issuelab.org/resource/a-baseline-study-on-the-provision-of-hospice-specialist-palliative-care-services-in-ireland.html>

Publication date: 2006-03-01

Publishing organization(s): Irish Hospice Foundation

Author(s): n/a

Themes: What Are Common Barriers?: Inadequate Funding; What Are Common Barriers?: Insufficient Palliative Care Staff/Physicians; What Are Common Barriers?: Lack of Facilities/Beds; What Are Common Barriers?: Lack of Medical Equipment; What Are Some Recommended Solutions?: Caregiver Support and Engagement; What Are Some Recommended Solutions?: Palliative Care Training for Medical Staff

### **A Better Benefit: Health Plans Try New Approaches to End-of-Life Care**

<https://www.issuelab.org/resource/a-better-benefit-health-plans-try-new-approaches-to-end-of-life-care.html>

Publication date: 2013-04-26

Publishing organization(s): California HealthCare Foundation

Author(s): n/a

Themes: What Are Common Barriers?: Insufficient Palliative Care Staff/Physicians; What Are Common Barriers?: Lack of Knowledge About Palliative Care Options; What Are Common Barriers?: Poverty; What Are Common Barriers?: Time Limits on Care; What Are Some Recommended Solutions?: Additional Research on Models of Care; What Are Some Recommended Solutions?: Additional Research on the Value of Hospice and Palliative Care; What Are Some Recommended Solutions?: Alternative Payment Structures; What Are Some Recommended Solutions?: Increased Community Awareness About Palliative Care Options; What Are Some Recommended Solutions?: Integration Into Home-care Systems; What Are Some Recommended Solutions?: Integration into Community-based Settings; Who Is Affected?: People Living in Underserved Regions; Who Is Affected?: People in Hospice; Who Is Affected?: People with Cancer

### **Better Palliative Care for Older People**

<https://www.issuelab.org/resource/better-palliative-care-for-older-people.html>

Publication date: 2004-05-18

Publishing organization(s): World Health Organization - Regional Office for Europe

Author(s): n/a

Themes: What Are Common Barriers?: Poor Communication Between Providers & Patients; What Are Some Recommended Solutions?: Additional Research on Models of Care; What Are

Some Recommended Solutions?: Additional Research on Needs of Specific Communities or Populations; What Are Some Recommended Solutions?: Caregiver Support and Engagement; What Are Some Recommended Solutions?: Greater Coordination Between Providers; What Are Some Recommended Solutions?: Increased Community Awareness About Palliative Care Options; What Are Some Recommended Solutions?: Palliative Care Training for Medical Staff; What Are Some Recommended Solutions?: Psychosocial Support; Who Is Affected?: People in an Elderly Care Facility

### **Bridging the Gap: Extending Palliative Care Services to Older People in Two East African countries**

<https://www.issuelab.org/resource/bridging-the-gap-extending-palliative-care-services-to-older-people-in-two-east-african-countries.html>

Publication date: 2008-12-03

Publishing organization(s): African Palliative Care Association

Author(s): Boniface N. Mogoi; Eve Namissango; Faith Mwangi-Powell; Jacquie Teera-Ssentoogo; Julia Downing; Paul Cann; Richard A. Powell

Themes: What Are Common Barriers?: Age Discrimination; What Are Common Barriers?: Inadequate Funding; What Are Common Barriers?: Insufficient Palliative Care Staff/Physicians; What Are Common Barriers?: Lack of Facilities/Beds; What Are Common Barriers?: Lack of Medical Equipment; What Are Common Barriers?: Lack of Psychosocial Care; What Are Some Recommended Solutions?: Additional Research on Attitudes Towards Palliative Care; What Are Some Recommended Solutions?: Additional Research on Models of Care; What Are Some Recommended Solutions?: Bereavement Support; What Are Some Recommended Solutions?: Caregiver Support and Engagement; What Are Some Recommended Solutions?: Integration into Community-based Settings; What Are Some Recommended Solutions?: Train Staff in Culturally Sensitive Care; Who Is Affected?: People in Pain

### **Campaign for a Moral, Balanced Immigration Overhaul (CAMBIO), Strategic Review**

<https://www.issuelab.org/resource/campaign-for-a-moral-balanced-immigration-overhaul-cambio-strategic-review.html>

Publication date: 2014-11-01

Publishing organization(s): CAMBIO

Author(s): Anita Khashu; Kathleen M. Sullivan

Themes:

### **Cancer Control: Knowledge into Action, Palliative Care**

<https://www.issuelab.org/resource/cancer-control-knowledge-into-action-palliative-care.html>

Publication date: 2007-10-02

Publishing organization(s): World Health Organization

Author(s): n/a

Themes: What Are Common Barriers?: Lack of Knowledge About Palliative Care Options; What Are Common Barriers?: Lack of Psychosocial Care; What Are Some Recommended Solutions?: Bereavement Support; What Are Some Recommended Solutions?: Caregiver Support and Engagement; What Are Some Recommended Solutions?: Greater Availability of Pain-relief Drugs; What Are Some Recommended Solutions?: Integration Into Home-care Systems; What Are Some Recommended Solutions?: Integration into Community-based Settings; What Are Some Recommended Solutions?: Palliative Care Training for Medical Staff; Who Is Affected?: People with Cancer

### **Care When There is No Cure: Ensuring the Right to Palliative Care in Mexico**

<https://www.issuelab.org/resource/care-when-there-is-no-cure-ensuring-the-right-to-palliative-care-in-mexico.html>

Publication date: 2014-10-24

Publishing organization(s): Human Rights Watch

Author(s): n/a

### **Chinese-American Outreach Guide**

<https://www.issuelab.org/resource/chinese-american-outreach-guide.html>

Publication date: 2009-07-09

Publishing organization(s): National Hospice and Palliative Care Organization

Author(s): n/a

Themes: What Are Common Barriers?: Cultural & Religious Discrimination; What Are Common Barriers?: Poor Communication Between Providers & Patients; What Are Common Barriers?: Poverty; What Are Common Barriers?: Racial and Ethnic Discrimination; What Are Some Recommended Solutions?: Community Education About the Need for Advanced Care Planning; What Are Some Recommended Solutions?: Cultural Brokerage Services; What Are Some Recommended Solutions?: Greater Community Engagement and Partnership; What Are Some Recommended Solutions?: Increased Community Awareness About Palliative Care Options; What Are Some Recommended Solutions?: Train Staff in Culturally Sensitive Care; Who Is Affected?: People at the End of Life

### **A Community Health Approach to Palliative Care for HIV/AIDS and Cancer Patients**

<https://www.issuelab.org/resource/a-community-health-approach-to-palliative-care-for-hiv-aids-and-cancer-patients.html>

Publication date: 2004-08-23

Publishing organization(s): World Health Organization

Author(s): n/a

Themes: What Are Common Barriers?: Inadequate Funding; What Are Common Barriers?: Lack of Facilities/Beds; What Are Common Barriers?: Lack of Knowledge About Palliative Care Options; What Are Common Barriers?: Lack of Psychosocial Care; What Are Common Barriers?: Poverty; What Are Some Recommended Solutions?: Caregiver Support and Engagement; What Are Some Recommended Solutions?: Greater Availability of Pain-relief Drugs; What Are Some Recommended Solutions?: Integration Into Home-care Systems; What Are Some Recommended Solutions?: Integration into Community-based Settings; What Are Some Recommended Solutions?: Train Staff in Culturally Sensitive Care; Who Is Affected?: People at the End of Life; Who Is Affected?: People in Pain; Who Is Affected?: People with Chronic Illness; Who Is Affected?: People with HIV/AIDS

### **Community-based Opportunities for Extending the Palliative Care Continuum**

<https://www.issuelab.org/resource/community-based-opportunities-for-extending-the-palliative-care-continuum.html>

Publication date: 2011-02-17

Publishing organization(s): Center to Advance Palliative Care

Author(s): Amber Jones; Lynn Spragens

Themes: What Are Common Barriers?: Lack of Coordination Between Providers; What Are Common Barriers?: Lack of Knowledge About Palliative Care Options; What Are Common Barriers?: Limited Patient Data Tracking Systems; What Are Common Barriers?: Poverty; What Are Some Recommended Solutions?: Additional Research on Needs of Specific Communities or Populations; What Are Some Recommended Solutions?: Alternative Payment Structures; What Are Some Recommended Solutions?: Better Tracking of Patient Data and Preferences; What Are Some Recommended Solutions?: Greater Community Engagement and Partnership; What Are Some Recommended Solutions?: Integration Into Home-care Systems; What Are Some Recommended Solutions?: Integration into Community-based Settings; Who Is Affected?: People with Chronic Illness

### **Cost of Dying: Confronting End-of-Life Care Issues**

<https://www.issuelab.org/resource/cost-of-dying-confronting-end-of-life-care-issues.html>

Publication date: 2013-05-08

Publishing organization(s): California HealthCare Foundation

Author(s): Lisa M. Krieger

Themes:

### **Critical Success Factors that Enable Individuals to Die in their Preferred Place of Death**

<https://www.issuelab.org/resource/critical-success-factors-that-enable-individuals-to-die-in-their-preferred-place-of-death.html>

Publication date: 2012-02-24

Publishing organization(s): National End of Life Care Programme

Author(s): n/a

Themes: What Are Common Barriers?: Insufficient Palliative Care Staff/Physicians; What Are Common Barriers?: Lack of Facilities/Beds; What Are Common Barriers?: Poverty; What Are Some Recommended Solutions?: Alternative Payment Structures; What Are Some Recommended Solutions?: Better Tracking of Patient Data and Preferences; What Are Some Recommended Solutions?: Greater Knowledge Sharing; What Are Some Recommended Solutions?: Palliative Care Training for Medical Staff; Who Is Affected?: People at the End of Life

### **Crossing Organizational Boundaries in Palliative Care: The Promise and Reality of Community Partnerships**

<https://www.issuelab.org/resource/crossing-organizational-boundaries-in-palliative-care-the-promise-and-reality-of-community-partnerships.html>

Publication date: 2003-02-20

Publishing organization(s): United Hospital Fund

Author(s): Susan Champagne Hopper

Themes: What Are Common Barriers?: Insufficient Palliative Care Staff/Physicians; What Are Common Barriers?: Lack of Coordination Between Providers; What Are Common Barriers?: Lack of Facilities/Beds; What Are Common Barriers?: Lack of Referrals or Late Referrals; What Are Common Barriers?: Payment Structures; What Are Some Recommended Solutions?: Greater Community Engagement and Partnership; What Are Some Recommended Solutions?: Greater Coordination Between Providers; What Are Some Recommended Solutions?: Integration into Community-based Settings; Who Is Affected?: People in a Community-based Care Setting

### **Current and Future Needs for Hospice Care: An Evidence Based Approach**

<https://www.issuelab.org/resource/current-and-future-needs-for-hospice-care-an-evidence-based-approach.html>

Publication date: 2013-01-01

Publishing organization(s): Cicely Saunders International; Help the Hospices, Commission into the Future of Hospice Care; King's College London

Author(s): Barbara Gomes; Irene J. Higginson; Natalia Calanzani

Themes: What Are Common Barriers?: Age Discrimination; What Are Common Barriers?: Inadequate Funding; What Are Common Barriers?: Lack of Referrals or Late Referrals; What Are Common Barriers?: Limited Patient Data Tracking Systems; What Are Some Recommended Solutions?: Additional Research on Models of Care; What Are Some Recommended Solutions?: Additional Research on Needs of Specific Communities or Populations; What Are Some Recommended Solutions?: Additional Research on the Value of Hospice and Palliative Care; What Are Some Recommended Solutions?: Better Tracking of Patient Data and Preferences; What Are Some Recommended Solutions?: Greater Community Engagement and Partnership; What Are Some Recommended Solutions?: Integration Into Home-care Systems; What Are Some Recommended Solutions?: Integration into Community-based Settings; What Are Some Recommended Solutions?: Stronger Referral Networks and Systems; Who Is Affected?: People with Cancer; Who Is Affected?: People with Dementia

### **Disabilities Outreach Guide**

<https://www.issuelab.org/resource/disabilities-outreach-guide.html>

Publication date: 2009-09-17

Publishing organization(s): National Hospice and Palliative Care Organization

Author(s): n/a

Themes: What Are Common Barriers?: Gender and Sexuality Discrimination; What Are Common Barriers?: Medical Staff Discrimination/Ignorance; What Are Some Recommended Solutions?: Bereavement Support; What Are Some Recommended Solutions?: Community Education About the Need for Advanced Care Planning; What Are Some Recommended Solutions?: Greater Community Engagement and Partnership; What Are Some Recommended Solutions?: Increased Community Awareness About Palliative Care Options; What Are Some Recommended Solutions?: Train Staff in Culturally Sensitive Care; Who Is Affected?: People with a Disability

### **Diversity and the Undertreatment of Pain**

<https://www.issuelab.org/resource/diversity-and-the-undertreatment-of-pain.html>

Publication date: 2002-02-01

Publishing organization(s): Continuum Health Partners

Author(s): Terry Altilio

Themes: What Are Common Barriers?: Gender and Sexuality Discrimination; What Are Common Barriers?: Inadequate Funding; What Are Common Barriers?: Language Barriers; What Are Common Barriers?: Medical Staff Discrimination/Ignorance; What Are Some Recommended Solutions?: Train Staff in Culturally Sensitive Care; Who Is Affected?: People in Pain; Who Is Affected?: People with Cancer

### **Dying in Hospital in Ireland: An Assessment of the Quality of Care in the Last Week of Life, Final Synthesis Report**

<https://www.issuelab.org/resource/dying-in-hospital-in-ireland-an-assessment-of-the-quality-of-care-in-the-last-week-of-life-final-synthesis-report.html>

Publication date: 2010-05-01

Publishing organization(s): Atlantic Philanthropies; Health Service Executive; Hospice Friendly

Hospitals; Irish Hospice Foundation

Author(s): Feline Engling; Helen Donovan; Jonathan Pratschke; Kieran McKeown; Shelagh Twomey; Trutz Haase

Themes: What Are Common Barriers?: Insufficient Palliative Care Staff/Physicians; What Are Common Barriers?: Lack of Understanding About Conditions; What Are Common Barriers?: Limited Patient Data Tracking Systems; What Are Common Barriers?: Poor Communication Between Providers & Patients; What Are Some Recommended Solutions?: Bereavement Support; What Are Some Recommended Solutions?: Caregiver Support and Engagement; What Are Some Recommended Solutions?: Palliative Care Training for Medical Staff; Who Is Affected?: People in a Hospital

### **Easing the Pain: Successes and Challenges in International Palliative Care**

<https://www.issuelab.org/resource/easing-the-pain-successes-and-challenges-in-international-palliative-care.html>
